

Sweet! Opens In Ladera Ranch In Time for Holidays

Have a sweet tooth? Who doesn't!

Well, now your sweet tooth can be satisfied right here in Ladera Ranch.

Jorden Collins, local Ladera mom of five kids, has just opened a candy store in Suite E1 across from Cinnamon Productions and right next to NutriShop in Mercantile West shopping plaza at 25642 Crown Valley Parkway, phone (949) 351-7511.

The new shop is called, (what else), *Sweet!*

You've probably seen Jorden whizzing around the community in her bright green 1977 VW Bus.

She and her family have been Ladera residents for eight and a half years.

Sweet! is much more than a candy store. It also has tons of cool glass bottle sodas, vintage candy, Fair Trade certified refrigerated Fine Chocolates, sugar free candy, buckets of salt water taffy flavors, and all of the yummy bulk candy like gummies and sours that you and your kids love.

The local candy store will be Ladera moms' new favorite place as it will also host kid's Birthday parties where Jorden will be doing face painting and glitter tattoos along with candy experiments and scavenger hunts.

Jorden, who is shown on the left with employees Amanda Knotek (left) and Hannah Wolfer, both of Ladera, also does beautiful wedding and shower candy buffets as well as Corporate Gift baskets for the holidays.

Sweet! is a proud sponsor of Ladera Ranch Sports teams and is the perfect location to host your end of the season parties.

It is also a great place to get your snacks for you snack duty parents. This will be Team-Mom Headquarters!
